Carriers must be checked in by Noon

You may ship your materials from the show via any carrier. You are required only to contact your carrier, pack your materials, and file a Bill of Lading with the freight desk. Merchandise Mart Properties, Inc. assumes no responsibility for shipments until they are collected from the exhibitor's booth. A representative of the exhibitor should remain with their property until this has been done.

DRAYAGE

Material handling involves receiving freight during move-in, delivering it to your booth, removing empty containers and returning them after the show, and loading materials for outbound shipping. This service is also known as drayage and is included in your booth package.

DOMESTIC SHIPPING

Yellow Freight Systems is the preferred shipper of National Prom Market Chicago™. However, each exhibitor is free to choose their own means of shipping.

INTERNATIONAL SHIPPING

R.E. Rogers is the official customs broker and international freight forwarder for STYLEMAX™.
