OVERTIME RATE	Add 25% if handled in OR out on overtime. • Add 50% if handled in AND out on overtime. All shipments handled on Saturday, Sunday, Holidays and before 8:00 am or checked in after 3:30 pm on weekdays will be subject to overtime surcharges.			

RATES FOR SHIPMENTS OR EQUIPMENT REQUIRING SPECIAL HANDLING (INCLUDING NON-SKIDDED, UNCRATED AND/OR LOOSE SHIPMENTS) RECEIVED AT THE EXHIBIT SITE will be subject to a 25% surcharge in addition to the above show site rates. This applies to all trucks, due to the height of the truck bed, which cannot be unloaded at the docks. If crated materials are combined with uncrated and loose materials in the same shipment and the bill-of-lading does not identify the various classifications, the whole shipment will be charged at the UNCRATED AND LOOSE MATERIAL RATE, PLUS SPECIAL HANDLING RATE.

ALL SHIPMENTS MUST BE SENT PREPAID and all shipments must have a bill-of-lading showing number of pieces, weight, and description of merchandise. Display freight should be on a separate bill-of-lading from machinery freight. Mixed shipments will be charged at the Display freight rate. Trucks without a bill-of-lading or documented weight will be directed to a public scale or estimated weights will prevail. Estimated weights will be binding by both parties.

- Rates are based on incoming weight only. All weights are rounded off to the next 100 lbs. (cwt). Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.
- Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.
- Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. RPM CompleteXPO Services assumes no responsibility for removal of containers with old or empty labels or for valuables stored inside containers while containers are in storage.
- Outbound shipping labels & bills-of-lading will be available at the Service Desk. Exhibitor or his representative must pack & label their exhibit material and turn in a bill-of-lading for each shipment at the Service Desk before leaving the Show. RPM CompleteXPO Services will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick-up by the removal date of the Show, RPM CompleteXPO Services reserves the right to re-route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by RPM CompleteXPO Services.
