Refurbishing fee \$ 164.00 per panel regardless of size

Refurbishing fees are assessed for:

- Painted walls
- Holes larger than 1/4" in diameter

- Affixed items creating holes larger than 1/4" in diameter such as plasma mounts, furnishings, graphics
- Any graphics, wall coverings, wall paper or adhesives not removed (except those provided to the exhibitor through GES)
- Any hardware not removed from the walls

Damage fees \$ 1,094.00 per one meter panel
\$ 984.00 per half meter panel

Damages panel fees will be assessed for:

- Any damage that will compromise the integrity of the panel
 - *Too many holes in one area (8 or more holes within 6 square inches is considered too many- see next page)*
 - *Nails or screws **not** penetrating the 5mm thick center core of the wall panel that will result in the weight of the object being hung to be supported by the front panel, thus creating a larger hole.*

- Any damage caused to the aluminum frame edge
 - *Example – lighting fixtures being tightened to the extreme as to cause the aluminum frame to bend inward.*

Each panel is capable of supporting 40 pounds (20kg) per hang point with a maximum weight of 100 pounds (45 kg) per panel.
